

At Last! Columbia and Cleveland 1906 Bicycles are Here

Earthquake and fire prevented prompt delivery this year, but now that they are here they are good to look at and better to ride. If you are really in a hurry, have that 45-mile-an-hour feeling, why not ride a Columbia Motorcycle? They are the real thing. We have just received two of these Motorcycles and one is already sold—the other goes to whoever speaks first. The most complete line of bicycles, parts and bicycle sundries and a large repair shop, can be found at

MISCELLANEOUS "HAIR TONICS."

Most Hair Preparations Are Merely Scalp Irritants, of No Value.

Most hair preparations are merely scalp irritants, mis-called hair tonics. When hair is brittle, lusterless and begins to fall out, the dandruff germ is getting in its deadly work at the root, sapping the vitality. Since science discovered that dandruff is a germ disease there has been only one preparation put on the market that will actually destroy the dandruff germ; and the falling hair stops, and hair grows luxuriantly. Ask your druggist for Herpicide. It allays itching instantly, and permits the hair to grow. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. Hollister Drug Co., special agents.
